

# LIVING TRUST SEMINAR

**Protect yourself and your loved ones from losing your hard-earned assets to the government, attorneys, the IRS and greedy in-laws.**

**Learn how a properly designed and maintained Living Trust estate plan can:**

- ✓ Protect your family from losing their inheritance to greedy in-laws, divorce, lawsuits, creditors and government claims.
- ✓ Assure that the person you've chosen to handle your affairs won't have to go to Court and face unnecessary delays and fees.
- ✓ Help protect you and your family from being wiped out by nursing care bills.
- ✓ Protect your valuable IRAs (and retirement plans) so they may later provide much-needed retirement income for your loved ones.
- ✓ Include a Service Package and "support mechanisms" that are as important as your Will and Trust.
- ✓ Work FOR you! Unlike "one-size-fits-all", bargain-priced internet, or "do-it-yourself" Trusts which can be a disaster!
